

### easy to use work group printer

highest maximum monthly duty  
worry-free operations  
enhanced for greater support  
lowest cost per print

The more efficient your equipment, the more efficient you can be. The SAMSUNG SCX-5935FN is a 35 ppm complete workgroup solution that can copy / print / scan / fax. For those who want to maximize the amount of work they do in a minimal amount of time.

#### highest maximum monthly duty

Targeting workgroups with an average of 5,000 prints a month, know you stand to get the most out of your multifunction printer. Even in the most demanding and challenging business environments, the SCX-5935FN leads in productivity. Capable of delivering a maximum of 80,000 sheets a month.

#### worry-free operations

The multi-talented SCX-5935FN will change the way you work. You get high performance that will boost productivity and streamline workflow. Intuitive troubleshooting solutions and simplicity help reduce maintenance time so you can spend more time on the job and not fixing paper jams.

#### enhanced for greater support

The SCX-5935FN is not your average printer. Equipped with a built-in 80 GB HDD, it boasts nearly twice the capacity of the nearest competitor. Right out of the box, you get a suite of bigger capabilities. Plus support for a wider range of applications, including SAMSUNG's Open Architecture solutions "eXp". To meet the needs of highly sensitive business environments, it also features secure printing to maintain strict confidentiality.

#### lowest cost per print

More economical to operate than other models in the market, the SCX-5935FN adds more value to your set-up. Think of the compounded savings you stand to make, with each printout costing you less than ever. The assurance of reliability also minimizes waste typically incurred with paper jams and other malfunctions.

#### high volume paper handling

Depending on your needs, the SCX-5935FN can be fitted with multiple trays with different paper types and sizes to hold up to 1,050 sheets at a time. Print in bulk without the need to constantly replenish the paper supply. Save on paper costs with the capability to print on both sides of a sheet at the touch of a button.

#### expandable RAM

Boost the printer's performance with up to 512 MB memory to tackle all those image-heavy documents. Every printout is delivered quickly and smoothly without any bottlenecks to disrupt workflow.

#### enhanced emulation

Built-in emulation technology ensures utmost compatibility with any computer or software, so the multifunction printer can process every document fast and easy. No matter the job or requirement, from basic prints to professional looking documents, you're guaranteed the printout and quality you need.

#### workgroup solutions

Enjoy the flexibility to do more with the SCX-5935FN. A multifunction whiz, it accepts information through scanning, email, fax or folders. The data can then be manipulated through full OCR processing, metadata, 3rd party applications or user-customized software. Share the finalized information via fax, print, email, FTP and applications like MS Share Point, or send it to a PC folder through the workgroup LAN.

### one-touch control

Simplify tasks with a 7-inch color LCD touch screen that makes operating the system intuitive. Information is displayed clearly and concisely, with most menu options accessible directly from the LCD. Intuitive navigation minimizes operation time. Every second saved counts towards increasing productivity.

### one-touch control-2

With the enhancements in place, you can view the entire menu in one glance. This intelligent menu can also be customized to your needs for increased efficiency. While in operation, the on-screen information is also streamlined to individual work processes. When a problem arises, find the fix through simple guided instructions and graphics.

### minimal noise interference

The SCX-5935FN helps create a better, more peaceful working environment by printing at a silent 52 dB (quieter than a competing model in the same class) so your mind stays on the job. Less stress, more productivity. Simply the best balance for your business.

### streamlined interface

Breeze through the many functions with a simple-to-use interface. General help can be obtained through the handy "User Tips" feature. To further reduce guesswork, you can also instantly pull up a display of the complete menu flow and organization.

### the beauty of convenience

Change the way you look at printers, and how you work, with the outstanding features of the SCX-5935FN. A Direct USB port saves time and effort, letting you print and scan directly with a USB device. The SCX-5935FN is a versatile scanner, with an innovative color scanner that scans documents faster and in a higher quality compared to other conventional models.
